SUMMER DANCE CLASSES

Wednesday's at Willow Ridge

MINI HIP HOP

Ages 4 - 6

Wednesday 4:15 - 4:45pm

Jump, groove, and pop in this high-energy four-week class where kids will learn fun old-school hip hop moves like breaking and popping. They'll build confidence, coordination, and self-expression while embracing core values of hip hop—respect and creativity. Perfect for little dancers who love to move to the beat!

FAIRYTALE BALLET

Ages 3 - 5

Wednesday 5:30 - 6:00pm

- In this enchanting four-week class, children will step into the world of classic fairytales through the art of ballet. Each week, they'll read a portion of the fairytale and learn ballet techniques that bring the story to life. From graceful spins to powerful leaps, young dancers will pair ballet technique with the magic of storytelling.

MUSICAL THEATRE

Ages 4 - 6 & 6-10

Wednesday 4:45 - 5:30 & 6:00 - 6:45pm

Join us for a magical summer of singing, dancing and acting. The class focus is on jazz technique, acting out a character, and singing in a non-competitive atmosphere. This is an introduction to performing arts and will allow children to showcase their personality while building their confidence and imagination. At the end of the summer students will showcase their talents through a casual in-studio performance which will include student made props and or set pieces.
